The meeting was called to order at 12:00 pm at Carrow’s Restaurant in Ventura California. There were 18 people in attendance.

President Trini Mendoza led the Pledge of Allegiance, which was followed by self-introductions. Dwight Perkins IAPMO Western Regional Manager swore in new Chapter Officers:

President, Trini Mendoza
Treasurer, Tim Dunn
Recording Secretary, Shane Boston
Vice President, Randy Cooper was excused

New Business: Trini Mendoza thanked everyone for attending our first meeting. He also stressed the importance that we stand together and educate on another.

Dwight Perkins spoke on the IAPMO World Headquarters in Ontario, California. The building is 50,000 sq. ft. Dwight encouraged everyone to come down to check out the facility. He also informed us that they purchase another 50,000 sq. ft. building down the road from them.

Tim Dunn reported that he would like to see more Plumbing, Mechanical and Refrigeration Contractors at the meetings as well as Inspectors for those particular crafts, as everyone interprets the code a little bit differently. Tim expects PEX piping to be approved by the State of California by May 1, 2009. Bob Bailey will be attending his 36th consecutive IAPMO National Conference.

We raffled off a few IAPMO shirts and hats as well as some California Plumbing and Mechanical Code CD’s.

After no further business, the meeting was adjourned at 1:25 p.m.

Respectfully submitted,

Shane Boston
Recording Secretary
