May Program:
Installation of Officers

You don't want to miss this meeting, come meet the Chapter officers for your new local chapter. Now is the time to get involved!

Mark your calendars for these future meetings:
June 24th—Adam Muliawan, IAPMO Mechanical Code Development Administrator will be speaking about Hydronics Systems.
July 29th—Ken Wijaya, IAPMO R&T Lab, Senior Laboratory Director will be giving a presentation on R&T Lab.
August 26th—Dwight Perkins, IAPMO Western Regional Manager will be giving a presentation on the 2003-2006 UPC Cumulative Analysis.

Join us for networking & socializing during lunch followed by an educational session.

Contractors, Engineers, Architects, Code Enforcement, Inspectors, Building Officials, Plumbers and Students are welcome from Ventura to Santa Barbara County, bring someone from your industry with you to the meeting.
