April Program:

TIM DUNN
Plumbing/Mechanical Specialist
Ventura Fire Department

Topic and Discussion: Essentials of Venting, Vertical Wet Venting, and Bathroom Horizontal Venting.

If you have the questions, we'll provide you with the answers. Don’t miss this meeting. Now is the time to get involved!

Join us for networking and socializing during lunch followed by an educational session.

Contractors, Engineers, Architects, Code Enforcement, Inspectors, Building Officials, Plumbers and Students are welcome from Ventura to Santa Barbara County, bring someone from your industry with you to the meeting.
