August Program:

BOB GUENTHER,
Senior Technical Staff,
ICC

Topic and Discussion: When and where do you need dampers (as it relates to the Building Code)?

Don't miss this meeting. Now is the time to get involved!

Join us for networking and socializing during lunch followed by an educational session. Invite a friend!

Annual conference info is available online at <http://forms.iapmo.org/conference2009/Default.aspx>!

Contractors, Engineers, Architects, Code Enforcement, Inspectors, Building Officials, Plumbers and Students are welcome from Ventura to Santa Barbara County, bring someone from your industry with you to the meeting.
