San Diego County Chapter of IAPMO

Call to Order – San Diego Chapter.
Chairman, David Gans called to order the San Diego Chapter on September 4th, 2007 at 11:30am. There were 13 people in attendance.

Treasurer and City of Oceanside Building Inspector John Freaner led the Pledge of Allegiance.

Self-introductions were conducted.

David Gans read the Minutes from the previous meeting no objections were taken.

John Freaner read the Treasurers Report. The good news is that we don’t owe any money. The bad news is that we don’t have any money. $0 is a fine starting place for our new Chapter and we begin our raffle at the end of today’s meeting.

New Business – A conflict with another plumbing and mechanical meeting that meets the 1st Wednesday of each month was discussed and no changes were made at this time, however a new date, time and location will be sought after. Attendees are welcome to bring their proposals.

Presentation – Mario Orlando gave an outstanding presentation on sizing gas pipes using the CSST tables found in the 2007 CPC (based on the 2006 UPC). The CSST tables use designated EHD sizes rather than typical “iron pipe sizes.” A practical sizing example was worked out by the attendees. Several fuel gas code changes from the 2001 CPC were discussed. Thank you Mario, for sharing your knowledge on these important issues.

Announcements - Bob Bailey reminded all in attendance that the IAPMO National Conference was to take place in Las Vegas from September 23rd to the 27th and that there is a companion program for wives/girlfriends. (NOTE: It is not recommended to bring both) Bob invited all in attendance to join the IAPMO/UPPA Long Beach Chapter for its meeting (and breakfast) on the 1st Saturday of each month.

Raffle – Thank you to for the generous door prizes. Everyone was encouraged to join IAPMO if they were not a member already. Door prizes were raffled off.

Thank you to all the people in San Diego, Los Angeles and IAPMO who are supporting and participating in our new Chapter.
Adjournment – The meeting adjourned at 1:35p.m.
