Old Business- It seems as if all technical problems regarding receiving the meeting announcements have been resolved. IAPMO members that live in San Diego County are now receiving the flyer by mail and email. The Chapter’s distribution list continues to grow.
The recent IAPMO conference in Las Vegas was a huge success and a lot of fun to attend. There was discussion about some of the interesting events, workshops and voting processes.

New Business – The Chapter’s new banner was displayed and it received a round of applause.
The body of the Chapter continues to search for the right location to have our meetings. We are growing and need a larger meeting room.
Chapter leadership is working with IAPMO to bring a 3 day training seminar to the San Diego area in January of 2008.

Presentation – IAPMO Research and Testing provided an informative presentation on why it is important to “Look for the Mark” when selecting or inspecting plumbing materials. Presenters Tricia Swenke and Dene Andrea did a great job explaining what to look for and answering questions.

Announcements - Bob Bailey invited all in attendance to the IAPMO/UPPA Long Beach Chapter for its meeting (and breakfast) on the 2nd Saturday of each month.
