Call to Order-

David Gans, Chapter Chairman, of the San Diego County Chapter called the meeting to order at 11:30 a.m. on April 7, 2009 at the Hunter Steakhouse in Oceanside, Ca. The Pledge of Allegiance was lead by Bob Bailey Jr.

The minutes were read for the months of Feb. and Mar. by Secretary John Freaner. The minutes for both months were approved without amendments. The Treasurers report was then read by Treasurer John Freaner. The report was also approved by voice vote.

Old Business-

David Gans revisited the topic of hot water limiting valves. Mike Longsdon is working with the CSLB on a journeyman plumbers test.

New Business-

Mario Orlando informed us of SDG&E’s concern about new gas pipe absorbing the odor from the gas. John Freaner made a motion for the chapter to purchase a new voice recorder. Mike Longsdon said that he would donate one. Bob Bailey Sr. informed us of the upcoming PHCC show on May 16 in Long Beach, Ca. Mike Longsdon also made mention of the Insurance world starting to protect themselves against the use of PEX. David Gans brought up an issue with Viega and the fact that they do not require an installer card. This caused a large discussion among everyone. The outcome was such that the liability ultimately lies on the contractor/ installer.

Lunch was served while we enjoyed an informative presentation from Brian Houghton and Drew Defalle of Victaulic.

The raffles were held and the meeting was adjourned at 1:00p.m.
