Call to Order – Chairman, David Gans called to order the San Diego County Chapter on Tuesday, December 1st, 2009 at 11:30am. There were 11 people in attendance.

Immediately following the Pledge of Allegiance, self-introductions were conducted.

In the absence of the secretary/treasurer, the November minutes and treasurers report will be addressed at the January meeting. The minutes were approved by the attendees.

Old Business-
- Per Inspector Troy Hassey of Vista, California, SDG&E continues to change out gas and electric meters with their new smart meters.
- The 15 day comment period for HCD’s revised grey water code is about over. Some of the revisions were discussed in detail.
- Vice Chair Mike Logsdon of Master Plumbing continues to express his concern about the use of pressure lock fittings and some of the failures that he has witnessed as a service and repair company owner. Ideas for more restrictive use of these types of fittings were discussed.

New Business-
- Dwight Perkins was present to announce the newly available 2009 Solar Code and Green Code.
- Dwight also made the announcements for the December 12th meeting for Bob Bailey and the UPPA Chapter of Long Beach as well as the Emerging Technology Symposium in Ontario in May.

Presentation –
Dr. Barry Butler of Butler Solar Solutions gave a very interesting presentation on their do-it yourself products including their IAPMO listed heat exchanging wand that installs into the outlet of conventional 40 and 50 gallon water heaters.

Raffle/door prizes – We raffled off many great IAPMO items and gift cards.

Adjournment – The meeting adjourned at 1:30p.m.
