86th IAPMO conference in Vegas
PRESENTATION

Presentation was put on by Carlos & Mark with Helix water district (LMLGSVID). Helix water district has been around for over 100 years, covers a 50 mile range & has 25 reservoirs in San Diego County. 85% of their water is imported from the Northern Cal, Colorado river & local sources (Lake Skinner). They are now testing potable reuse and desalination plants. Customers are concerned with clarity, color, taste & odor which are aesthetics. The main concern is biological pathogens. Customers receive annual water quality reports.

Raffle & 50/50

Meeting adjourned at 1:15
