12:30 STEPHEN WM. BILSON, REWATER SYSTEMS
TODAY’S PRESENTATION WILL COVER GRAYWATER SYSTEMS

About Stephen:
Stephen Wm Bilson founded ReWater Systems in 1990. He participated in the California Graywater Ad-hoc Committee where he sponsored AB3518, which passed unanimously becoming the first-of-its-kind state graywater irrigation law.

1992: Mr. Bilson received US Patent #5,217,323 on graywater irrigation system know as the ReWater System.

1995: Sponsored AB313 to allow multi-family, commercial, and institutional systems under the Code, Water Code Section 14875 et seg.

2008/09: Per SB1258, he helped substantially review the state code to make a more user-friendly Chapter 16A of the CPC.

2013: Mr. Bilson actively participated in the Triennial Code adoption process where more code improvements were made. That code is now found in the CPC, Chapter 16. He is also involved in other states’ efforts to legalize graywater irrigation.
