Call to Order: The meeting was called to order by Chair Jim Mangino at 11:50 a.m.

Attending: Officers present – Jim Mangino, Chair; John Fanelli, Vice-Chair; and Claire Donnenwirth, Secretary.

Minutes: Minutes of the September 2012 meeting were accepted as emailed.

Treasurer’s Report: Not Available.

Plumbing: Nothing.

Mechanical: There was a discussion about termination vents. The information is contained in the 2012 UMC section 802.8.6 and under the water heater section in the UPC.

In other code changes, there are alternate materials and methods alternatives for Type-Two vent hoods on commercial dishwashers.

Roger is teaching for CRC and SVABE a three-session residential code class in January.

Fire & Life Safety: Nothing.

Training: Check the SVABO website for upcoming trainings.

Energy: Nothing.

Backflow: Nothing.

Legislative: Nothing.

Residential Fire Sprinkler: Roseville recently had a seminar on residential fire sprinklers that was very helpful to contractors. Some jurisdictions require fire sprinklers in attached garages, but not in detached garages.
Rep Time: Nothing.

Contractor Time: Nothing.

Industry: Randy Young is continuing his quest to push for removal of flex duct from residential and commercial code applications with the exception that the final five feet of the run can be flex.

Presentation: The chapter welcomed Kelsey Hartman-Viega from Shriners Hospital speaking about the National Scald Prevention Campaign.

Old Business: None.

New Business: None.

Next Meeting: The next meeting will be held on November 15th at the Dante Club.

Adjourn: The meeting was adjourned at 1:05 p.m.

Respectfully submitted,

Claire Donnenwirth, Secretary
