This month's speaker is Edward Krazel, Northern California Territory Manager for Green Turtle Americas Ltd. Edward has over 20 years experience in the Filtration & Separation industry and is a member of both the California Water Environment Association (CWEA) and the American Society of Plumbing Engineers (ASPE). Green Turtle Americas is a leading North American provider of point-source wastewater treatment systems and is located in Charlotte, NC. The products include gravity flow fiberglass Proceptor grease interceptors, oil-water separators and PHIX neutralization systems for treating acidic and alkaline wastewater.

If you want any items discussed at the meeting, you may E-mail the office at: iapmo@cwnet.com or Fax the items to (916) 567-6638.

FAX YOUR RESERVATION TO 567-6638.
