MEETING NOTICE
The next meeting of the Sacramento Chapter of IAPMO will be held in conjunction with Nor Cal ASPE.

TIME: 11:45 a.m.—1:00 p.m.
DATE: Thursday, October 15
PLACE: Danto Club
2330 Fair Oaks Blvd.
Sacramento, CA 95825

RSVP by Monday, October 12th.

Stoyan Bumbalov from HCD will be our speaker. He is currently part of a team, involved in the development and maintenance of the California building codes related to residential buildings and structures. Stoyan acts as a subject matter expert in projects associated with the California Building Standards Code development process and other rulemaking activities of the State Housing Law Program.

For the last five and a half years, Stoyan spent a substantial amount of time with CALGreen, particularly with the development of voluntary and mandatory measures for EV charging, as well as changes related to water conservation. Stoyan has also been constantly involved in the modification of Chapter 11A, related to housing accessibility.

Prior to his state service, Stoyan was a building inspector and plans examiner for the City of Fortuna. He holds seven International Code Council (ICC) certificates—Combination Residential Inspector, Residential Building, Electrical, Mechanical and Plumbing Inspector, Commercial Electrical Inspector, and Accessibility Plans Examiner.
