Presentation

Storm Water Drainage and Rainwater Catchment

Bruce Pfeiffer, retired City of Topeka plumbing inspector, will give an in-depth presentation on the provisions found in the 2012 Uniform Plumbing Code for Storm Water and Rainwater Catchment.

There is limited seating for this class. Please contact Carl Richardson at (620) 344-1068 to reserve your spot. This class is accredited by the City of Topeka and is accepted in most jurisdictions for the yearly state mandated CEUs to maintain your license.

This class will be good for Code Related Plumbing CEUs. You will earn 2.0 CEUs upon completion of the course.
