Presentation

Plumbing Code Workshop

Brian Rogers, IAPMO Region Four Manager, will give an in-depth presentation on all chapters of the Uniform Plumbing Code. Attendees will use their Code knowledge to find violations on Plumbing Code Workshop drawings that have been used at past IAPMO Conferences.

There is limited seating for this class. Please contact Carl Richardson at (620) 344-1068 to reserve your spot. This class is accredited by the City of Topeka and is accepted in most jurisdictions for the yearly state mandated CEUs to maintain your license.

This class will be good for Code Related Plumbing CEUs.
