Presentation

Grease Interceptor Requirements and Sizing

Bruce Pfeiffer, will give an in-depth review of the Uniform Plumbing Code requirements for hydromechanical and gravity grease interceptors. This review will include the sizing criteria for both types of interceptors.

There is limited seating for this class. Please contact Bruce Pfeiffer @ 785-220-8993 to reserve your spot. This class is accredited by the City of Topeka and is accepted in most jurisdictions for the yearly state mandated CEUs to maintain your license.

This class will be good for Plumbing/Mechanical CEUs.

You will earn 2.0 CEUs upon completion of the course.
