The meeting was called to order by Chairman Pat Genrich at 5:30 p.m.

A motion was made and seconded to approve the agenda and minutes of the November 4, 2014 meeting.

A membership report was given by Secretary Rex Crawford. Prior to the meeting, there were 28 paid local chapter members for 2015. There were 60 attendees at the meeting.

The treasurer’s report was given by Treasurer Bill Fleischman; current bank balance was $4,759 prior to the meeting.

Rex Crawford covered updates from Building and Safety, the change in inspector areas, and progress of the Plumbing Code Task Force in adopting the UPC 2012 edition.

The new feature of text messaging chapter meeting notices to members was discussed. Over 20 members received a text about the meeting, so it appears this communication method is working well.

New IAPMO Regional Director Brian Rogers was introduced to the membership. Brian gave updates on upcoming IAPMO conferences, defined his territory, and let members know how he could be reached if they had any needs or questions.

The next meeting will be held on May 5, 2015, and the speaker will be Patrick Miller from Mack McClain and Associates on the topic of CSST tubing and changes in water heating equipment.

A drawing was held for door prizes, and the meeting was adjourned at 6:00 p.m.

Following the meeting, Callen Schwank provided the training on Victaulic piping products. Members received two (2) hours of continuing education credits for attending the meeting.

The Chapter would like to thank Callen for the Valentino’s pizza and refreshments that were provided.

Respectfully submitted,
Rex A. Crawford
Nebraska Chapter of IAPMO Secretary
