Introduction for LabTest Certification Inc; an Independent Certification Body

Kavinder Dhillon, President and CEO, LabTest Certification, Inc will introduce a new service to southern Nevada for manufacturers and product developers who are introducing new (unlisted) products to area building officials, area plan check departments and the other regulatory bodies. If you have developed a new product that hasn’t been listed, you need to attend this meeting.

LabTest Certification Inc. is an accredited Certification Body and an accredited Testing Laboratory for various product categories and types. LabTest can help with both domestic and international markets certification.

The lunch is $20.00, non-members, company employees, guests are always invited, so bring a friend. Please RSVP to Bill Laub by Tuesday, September 20, 2011. If you RSVP and get on Bill’s list you get one free raffle ticket.

Soon NLV Building Dept. To Get New Home

The City of North Las Vegas expects to occupy the new city hall building at either the end of November or the beginning of December. The new City Hall will be consolidating most City departments under one roof, and will include a “state of the art” Development Services Center designed for one stop shopping for residents and contractors seeking permits. The City Hall will also include a 300-seat Council Chambers that is 70 percent larger than the current Council Chambers.

WaterSmart Innovations Conference & Expo

The WaterSmart Innovations Conference & Exposition is the largest urban-water efficiency conference held in the world. The 4th annual WSI will be held October 5-7 at the South Point Hotel in Las Vegas. www.watersmartinnovations.com

Chapter Takes First Place

For National observers it was a surprise come from the behind the pack to take the gold type of race. Southern Nevada outpaced its nearest rival in the National new Membership Competition by 15 members to take the gold with seventy (70) new national members. Wow and thank you.
