Ron Lynn, Director, Building Official, Clark County Department of Building & Fire Prevention will look into his crystal ball and forecast for us where plumbing and mechanical building codes may be going.

Mr. Lynn may tell us how code books (not the codes, the books) will be a thing of the past, how field inspectors will have access to new tools to use at the construction site that determine if the codes are being followed.

OR he may give a short presentation how Southern Nevada codes and individuals impacted and shaped national ICC/IAPMO codes (the impact is greater than you might expect).

OR he may introduce a topic we need to know about. It will be an interesting meeting whatever the topic. Plan to attend.

Chapter Dues for 2015
Chapter dues will remain at $35.00. However to join the chapter as a member - you have to be a member of National IAPMO.

New Price for 2015 Chapter Lunches - $25
Sad to say, but our lunch prices are going up this year. The new lunch price is $25.00.

Chapter Board Elections
In December the chapter membership elected Jordan Krahnenbuhl as the new vice-chairman replacing Mike Teemant. Thank you both for coming to the aid of your chapter!

2015 Installation of Officers Party
The party is January 31, 2015. Have you RSVP’d yet? We need to know. Orleans Hotel, single $65 or couple $130.
