IAPMO Meeting Thursday December 17, 2015

“National & Regional Issues Coming Our Way” +Elections!

NOTE: This meeting is the THIRD Thursday and not the 4th Thursday of November.

Holly Klug, (left), and Cambria McLeod, (right), Kohler, will give a year end wrap up of major issues affecting our industry that may impact southern Nevada in 2016. The four topics to be covered are:

IAPMO WEStand. IAPMO is developing an American National Standard for water efficiency and sanitation called WEStand. The standard uses as its basis the water provisions within IAPMO’s 2015 Green Plumbing and Mechanical Code Supplement (GPMCS). IAPMO intends to publish the standard in December 2017.

PERC 2. This drain line carry study is specific to remote toilets flushing at lower flows. The study found that once you dip below 1.28gpf (exact threshold not yet determined) there’s a potential for some disruption to occur. Toilet paper tensile strength plays a large factor in clogs.

WaterSense. This EPA program covers toilets, residential bathroom sink faucets, showerheads, more. EPA currently developing a specification for flushometer valve toilets.

California: The California Energy Commission has put into place requirements for products being sold into the state. Some are equal to CalGreen, some are lower.

Chapter Dues for 2016
Chapter dues will remain at $35.00. However to join the chapter in 2016 as a member, you will have to be a member of National IAPMO.

Installation of Officer Party
Help sponsor’s this year’s party. Find the party sponsor’s board at this meeting and take a sponsorship. Thank you!

Chapter Board Elections
Is it time to throw out the old scoundrels and elect a new chapter board for 2016? You decide! (Only paid 2015 members can vote.)

Please Attend:
- Dec 17 IAPMO Meeting (third Thursday), Holly Klug, Kohler Company, chapter elections
- Jan 23, 2016 Chapter Installation of Officers Party, Orleans Hotel, “1980’s’ theme. Mariah is back!
