Chairman Ed Cooke called the meeting to order at 8:30am.

The pledge of allegiance was led by Richard Beck.

Self introductions were then conducted. We had 27 in attendance.

Dwight Perkins installed the office Chairman (Ed Cooke), Vice Chairman (Jaime V. Valdivia) and the treasurer (Nick Lopez) of the chapter.

Chairman Ed Cooke’s first order of business was to have all in attendance enjoyed breakfast that was sponsored by N.I.T.C.

The treasurer’s report for March 2012 will be read at the next meeting due to a conflict of having the meeting held at IAPMO headquarters.

IAPMO’s Richard Beck presented a power point presentation to the membership regarding product certification. The presentation covered IAPMO’s 70 years of conducting such certification and the over 80 years of code development. Richard explained how a listing provides the public the assurance that a product has conformed to a standard. Much of this information is listed online at the IAPMO website.

Instructions were then given to the membership that under no conditions are photos or videos allowed to be taken on the tour. The membership was then taken on a grand tour of R & T facility, which was enjoyed by all.
