In a unanimous vote, the membership donated $1000.00 to the Alaska ASHRAE Research fund.

Sec. Treas. John Annesi reported the costs of the code books to the membership, it was decided to have a sign up sheet for code books at the next meeting, if enough members wanted them, the chapter would purchase them in a ‘lot’ and pass the savings on to the members.

The Chairman reported that two violations were issued this week to unlicensed contractors performing plumbing work, he also urged the members to remain vigilant in turning offenders in.

Two additional jackets are on order, for members John Annesi, and Mike Carey but as of the meeting time have yet to arrive.

The Municipal amendments are still scheduled for adoption this year, and it appears that the February 2011 is more likely for the 2009 codes to take affect in the municipality.

Tentative meeting dates for the UPC/IMC seminars are: April 29, 30, 2011, May 6, 7, 2011, or June 3, 4, 2011, the Chairman is working out the details and will let everyone know the specific date when he gets it.

Gary Hile and the Chairman went over the HANSEN system extensively with the members, many thanks to Gary for patiently answering all the questions about the new system.

Next meeting is scheduled for Tuesday, March 15th, 2011. The topic will be “continuation of the 2009 code changes.”

Door prizes where awarded to Don Burroughs, Larry Lorenzo and Lyman Meacham. Congratulations to all!

The meeting adjourned at 7:35 PM
