WEDNESDAY June 29TH
11:00am - 1:00pm

COURSE NAME

The Flint Michigan Water Crisis
"what went wrong and can it happen here?"

Date: June 29th, 2016
Time: 11:00 AM - 1:00 PM
Sean Cleary is a licensed master plumber from Scranton Pennsylvania. Over the course of his 38 year career he has worked in all phases of the cross-connection, plumbing, and mechanical industries. He is a graduate of the United Association Instructor Training Program. Sean is a Past President of the American Society of Sanitary Engineering. He also served as the Chairman of the ASSE Cross-Connection Control Technical Committee for over ten years.

Sean is employed by the International Association of Plumbing and Mechanical Officials (IAPMO) as the Vice President of Operations for the IAPMO Backflow Institute. The Institute is the industry leader in cross-connection control training with the United States and on an international basis. Mr. Cleary is also the Technical Editor for Backflow Prevention and Plumbing Standards Magazine.
