Fees are $115 per person and $460 per foursome. For more information contact Nate Vasquez at nate@pttc393.org or 408 453-6330.

New Business
Sarah Aguilar and Bob Adler gave a brief report on the TC Convention in Denver on May 5th and 6th, 2008. The TC Committee passed numerous code changes which overrode what the general assembly had voted during the last convention in September of 2007. It is very important that all members try and receive sponsorship and attend the upcoming convention in September in Atlanta so our voices can be heard.
**Presentation:**
The AB & I Tour began at 9:30 AM at the Oakland Foundry and was hosted by Greg Carr and Kurt Winter- President of AB&I. Kurt gave a brief history of the company and the present day situation of the global steel and iron industry. An excellent video was shown detailing the manufacturing process at AB & I in Oakland. Hard hats, safety glasses and water bottles were provided to all and we were broken up into three groups of ten for the one hour tour. It was hot, dirty and fascinating and populated by a lot of interesting, hardworking and happy employees.

After the tour everyone met at Francesco’s for a delicious lunch and our monthly meeting.

**Raffle**
We had numerous prizes for the raffle thanks to the generous contributions of Comack Plumbing and County Consumers. Thanks also for the generous donations from Sarah Aguilar of Southland Industries, Mo Salberg with KDS Plumbing, Steve Flores with ICOM, Bob Adler with the City of San Jose and Nathan Vasquez with San Jose Local 393’s Joint Apprenticeship Training Center.
