The meeting was called to order at 12:05pm on Thursday July 16, 2009 at Ricky’s in San Leandro by Don Wadsworth, Chairperson of the Central California Chapter of IAPMO.

Introductions
Self-introductions followed and there were 18 attendees. Chapter Officers present were Don Wadsworth Chairperson/ Vice Chairperson and Mo Salberg – Treasurer.

Old Business
Approval of Minutes for June 18, 2009
Treasury Report was approved.

New Business
Bob Adler discussed the 7-30-09 California Building Standards Committee meeting. Comments were also contributed by Phil Ribbs and Mike Harrison.

Discussion
Former Chairperson John Wagner commented on a proposed code change for tile installation on exterior walls. The code change requires a second membrane which is redundant and isn’t needed because of the existing seal in the building envelope. This gives the architect an out and places an added burden on the tile contractor.

Presentation
Richard Gottesman of Zurier Co. gave a presentation on State high efficiency water heaters such as: Sandblaster® SBN, Premier® Power Vent and commercial Ultra Force™ water heaters. Richard also spoke on the federal tax credit available with IRS form 5695, second generation Low-Nox burners and updated rules from the Bay Area Air Quality Management District (Regulation 9, Rule 6) concerning emission limits for water heaters and boilers.
