I would like to thank everyone who is interested in become board members. It is wonderful to have so much participation in our Chapter. Elections will be held next month at Ricky’s on December 17th.
Phil Ribbs gave a CA Pipe Trades Report on AAV appeals, PEX HCD lawsuit, Greywater OSHPD, ABS/PVC DWV installations and Firestopping procedures (Chp 14-1).

Marty Cooper gave a report on the Bay Area Water Supply and Conservation Agency (BAWSCA) proposal of local ordinances to implement water conservation measures ahead of the new water conservation requirements mandated in Civil Code of California section 1101.1 propagated by SB407 (Padilla). The state code is effective January 1, 2014 and BAWSCA is proposing local ordinances to be effective in 2010.

**Discussion**
Phil Ribbs brought in the new 2009 two volume Illustrated Training Manual for everyone to see.

**Presentation:**
Norm Winings from California Hydronics gave an excellent presentation on tankless water heaters and the pros and cons of their installation and use. Thank you, Norm for your great presentation.

**Announcements**
Phil Ribbs reminded everyone that the deadline for code changes will be February 1, 2010 and if we have any issues with code now is the time to bring them up. Phil Ribbs and Bob Adler would be more than willing to help anyone with the protocol of writing a code change so please contact them with any questions.

The next meeting will be held on December 17, 2009 at Ricky’s in San Leandro. Don’t forget – elections are held in December!

We will be having an open meeting dealing with potential code changes for the 2010 TC meeting in April.

Our Installation of Officer’s Installation Dinner will be held on January 16, 2010 so be sure and send in your reservations soon to Don Wadsworth.

**Please RSVP to Don Wadsworth at Cell Phone: (408) 507-2274**
