Call to Order
The meeting was called to order at Piacere’s Restaurant in San Carlos at 12:03 pm on Thursday May 19, 2012 by Immediate Past Chairman Mo Salberg.

Introductions
Self introductions were performed with 23 people in attendance including Chairman Mo Salberg, Treasurer Don Taylor, and Secretary Craig Loeffler.

Old Business
The April 2012 meeting minutes were approved as written. Phil Ribbs was asked to give a brief summary of the Technical Committee Meeting held on Tuesday, May 8. He stated that those who wish to serve on the different Task Groups of IAPMO need to get there application in by June 18. Also, those who wish to submit changes for the next code cycle must submit them by January 3, 2013. The IAPMO staff will be happy to assist the submitter with the format.

Lunch
Lunch was served buffet style.

Presentation
Hans Kaufmann of California Hydronics Corporation gave a presentation on commercial water reclamation for graywater and rain water harvesting. He started the discussion by giving a brief history of reclaimed water. He continued with systems for collecting water, sizing of tanks, and the process of storing water. Also discussed were the less known sources for reclaimed
water. For example, cooling coil condensate and cooling tower blowdown were discussed. Potential uses for this type of reclaimed water were also presented. Mr. Kaufmann displayed a typical system and identified its components. The pros and cons of each item was explained. Different reclaimation and graywater projects were discussed. Mr. Kaufmann explained how LEED points can be earned through the use of reclaimed water and graywater. The code requirements and testing of these systems was also reviewed. The attendees asked questions throughout the presentation and Hans responded with thorough explanations.

**Announcements**
The next meeting will be on Thursday, June 21, 2012 at Ricky’s in San Leandro, CA. at 11:30 am. Tom Garcia will talk on Energy Standards and the Local Code Official.
On October 18, 2012 the Chapter Golf Tournament will be held at Los Lagos.

**New Business**
Don Taylor stated that our accounts have an adequate balance. The members approved the sponsoring of a hole for the GBA’s annual golf tournament. We will contribute at the Platinum Level. During the code discussion an attendee asked about code requirements for metered faucets. The members were able to provide information on how the inspector might resolve the issue.

**Raffle**
Tickets were drawn and prizes awarded. Special thanks to the raffle prize contributors: Sarah Aguilar & Southland Industries, Phil Ribbs of CISPI, Ash-Lee Rud of ABI, Maria Perez of County Consumer Plumbing Service and Repair Group, GBA, John Salberg and IAPMO.

**Adjournment**
The meeting was adjourned at 1:45pm by Chairman Mo Salberg

Respectfully,
Craig Loeffler, Secretary
Central California Chapter IAPMO
