The 2014 annual Installation Dinner for Central California Chapter of IAPMO was held on Saturday, January 11, 2014 at the Crystal Springs Golf Coarse. The event was well attended.

The evening started at the reception hall with cocktails and hors d’oeuvres. Old friendships were renewed and new ones started. The event proceeded to the dining area where Brent Hipsher led the group in the recitation of the Pledge of Allegiance. Brent then welcomed the guests, reviewed the previous year and thanked the evening’s sponsors. After a delicious dinner was served, those whom had been past chairpersons were asked to stand and be recognized. It is because of their past and continued dedication the organization has been able to make a difference.

Brent presented The Industry Person of the year to Mo Salberg & Sarah Aguilar for their continued and tireless work on behalf of the chapter. Their work on the technical committee and the Golf Tournament are just two examples of their contributions to CCCIAPMO. A moment of silence was held for 2 long time members that passed away. Don Wadsworth and Tom Lehane were remembered. Plaques were also given to the 2013 officers to show the chapter’s appreciation and gratitude for all their hard work and efforts.

Alan Wald, Director of Membership for IAPMO installed the incoming 2014 chapter officers. They are:

Chairperson – Don Taylor
Vice Chair – Craig Loeffler
Following the presentation a raffle was held. Every attendee won a prize! The evening concluded with music and dancing.
