Call to Order
The meeting was called to order at 12:00 pm on July 21, 2016 at Positano Restaurant, 617 Laurel St., San Carlos by Carl Cimino, Chairman of the Central California Chapter of IAPMO.

Introductions
After the Pledge of Allegiance was recited, self-introductions were performed with 12 people in attendance, including Chairman Carl Cimino, Vice Chairman Craig Loeffler and Treasurer Don Taylor.

Old Business
Minutes from the June meeting were approved as written. Don Taylor gave the Treasurer’s report. He stated that the Chapter has one outstanding check and has contacted the recipient. The Chapter has adequate funds.

New Business
-Mo Salberg stated that GBA is holding its annual golf tournament in August. Mo brought forth a motion to sponsor a hole at the tournament. It was approved by the members. Don Taylor, on behalf of GBA, thanked the Chapter.
-Don Taylor asked if the Chapter was interested in selling the new (2015) Uniform Codes as a fund raiser. After discussion, it was decided to order a conservative amount of books. Don said he would do further research on the number of books to be ordered.
Mo Salberg announced that the Annual Frank Park Central California Chapter of IAPMO Golf Tournament will be held on Thursday, October 20, 2016 at Los Lagos in San Jose. Announcements will be sent out shortly.

Sarah Aguilar asked about the date for the Officer’s Installation Dinner. A date has not been chosen. Carl Cimino questioned if a dinner is required for the Officer’s Installation Ceremony. Other suggestions included lunch or a party. It was decided to continue this discussion at the August meeting.

Craig Loeffler announced that the Chapter finished fourth in this year’s IAPMO Membership Drive.

**Lunch**
Lunch was sponsored by Saniflo.

**Presentation**
This month’s presentation was made by Chris Peterson and Janeen Smith of Saniflo. Their company makes macerating and grinding pump systems. Chris started the presentation by stating the company began in 1958 and is part of the SFA Group. Saniflo has been in the United States for about 12 years and has a large presence in Europe. He went on to say the difference between Saniflo and other pumps is the way they are engineered. They are designed to short cycle from 6 to 8 seconds and therefore eliminate the need for large storage basins. All the plumbing is above the floor and not below it and therefore allows a plumbing system to be added without cutting the floor. All components for the system are manufactured by Saniflo. Eight million of these pumps have been installed worldwide. Chris then listed the other Saniflo products (along with their applications) which are available in the United States. Videos were shown on how the products work and handouts were distributed. The presentation ended with a question and answer session. After the meeting, Chris and Janeen were available to answer individual questions.

**Raffle**
Tickets were drawn and prizes chosen. Once again, the Chapter would like to thank Saniflo for sponsoring the lunch.

**Adjournment**
The meeting was adjourned at 1:40 pm by Chairman Carl Cimino.
The next meeting will be held at Ricky’s Sports Theater and Grill on August 18, 2016 at 11:30pm. The topic will be GrayWater.

Respectfully,
Craig Loeffler

Vice Chairman
Central California Chapter IAPMO
