Presentation
Marty Cooper was the presenter for this meeting. Marty was asked to give the Chapter a rundown of items in preparation of the annual conference to be held at the end of this month. Marty started off with giving the Chapter a rundown of the upcoming Annual Conference schedule. He also spoke about some of the changes being proposed at this session. A couple of the proposals he mentioned were, Shower trap arm sizing, currently is 2”, proposed to be reduced to 1-1/2”. Proposed changes to the gas sizing tables, Uniform Mechanical Code reorganization of the Standards Chapter.
He also reminded us that all the proposed changes can be viewed online, via the IAPMO website. Some discussion took place about some of these items, and the process in general. With no further discussion, Marty concluded his presentation.

**Old Business**
Discussion continued on the chapters monthly meeting week, and day of the week. At one point it moved toward the 4\textsuperscript{th} Thursday of the month. A vote was taken, and it was counted 11-1 for the 4\textsuperscript{th} Thursday of the month. Discussion continued, and Carl Cimino suggested we send out a Survey Monkey to the members of the entire chapter.

Discussion regarding the upcoming Installation Dinner, January 2017. Carl Cimino has been working with the Testarossa Winery, located in Los Gatos. Carl presented pricing options with regards to Friday/Saturday night, room size options, dinner service/wine service. Discussion continued with traffic trying to get to Los Gatos on a Friday night, yes the pricing may be better, but many may not want to attend on a Friday night. Saturday night was discussed, a few dates were talked about, and Saturday night January 7\textsuperscript{th} 2017 was the choice.

**New Business/Discussion**
Mo Salberg spoke about the upcoming Chapters Golf Tournament, October 20\textsuperscript{th}, and the need for (2) more checks to be written to cover cost!
Prizes $475.00
Tips $500.00
These (2) checks were approved by the attendees.

Plaque Presentation: Marty Cooper was presented with the “Government Person of the Year Award”. This award was originally announced back at the Installation of officers lunch January 2017, but Marty was not able to attend that day.

Marty was very thankful, and had a few words to say.

Marty spoke to the importance of the IAPMO Organization, and the importance of younger people getting involved with the organization.

**Announcements**
One of our past presenters, Grey Water Recycling Systems, is looking to hire a salesman, if anyone is interested, or knows of anyone.

Reminder: the next meeting will be the annual Golf Tournament, October 20th, 2017, at the Los Gatos Golf Course. This will serve as our regular monthly meeting.

It was mentioned the Tuesday night of the Annual Conference, there would be a dinner outing. Many of our chapter’s members attend this outing.
